

PBC: REI to Logie Trail, S Skyline, Banks Gazebo

Ride on the beautiful low-traffic Westside backroads. The ride starts off heading north on Helvetia Rd to climb Logie Trail to Skyline Blvd to the summit. Logie Trail is the one major climb on this ride; otherwise, mostly flat terrain. Enjoy a nice descent on Dorland Rd. Ride south on Dersham Rd and west on Harrington Rd towards Banks. Stop at the Banks Gazebo, there is a convenience store and restrooms nearby. Head towards the Banks BV Trailhead. Head back via Mountaindale Rd, being extremely cautious crossing NW Sunset Hwy (US Hwy 26)! Jackson School Rd to Meeks Rd and back to REI.
