

McKenzie Pass - O&B

McKenzie Pass is without a doubt the most spectacular ride in Central Oregon, showcasing forests on both the east and west sides of the Cascades (they're different) as well as a lava-rock moonscape at the top that's unlike anything you'll probably ever see on a bike ride again.

A.	Village Green City Park	E.	De Wright Observatory
B.	East Snow Gate	F.	Alder Springs Snow Gate
C.	Windy Point	G.	White Branch Snow Gate
